

# Camp Hawkeye

## Pre-Camp Letter

---

*Each CiT is asked to write a note to his or her supervisor before camp begins. In this way, our staff can make the CiT's feel welcome and know more about each individual in the group. Each CiT should be encouraged to complete this letter with some specific things they would like to do at camp this year, and include special interests, leadership and organizational skills they would like to develop, and camping experiences they hope to gain this summer.*

*Please include particulars about your home and school lives that will help us get to know you.*
