A typical day spent in camp begins with a 7:30am wake up. Breakfast at 8:00am, with one cabin assigned as setters, and followed by a period of cabin clean up. Campers have many responsibilities around camp as members of our amazing community, one of which is keeping their personal areas tidy. In addition, during clean up each camper will have a daily job helping with small jobs around the cabin.

Four days a week things begin with a Camper Choice period, activity choices change each day providing a variety of experiences and fun. The schedule is different on days when the cabin is on an out-of-camp trip or for Special Activities including bunk and tribe days. The next period is a Bunk Activity with the cabin group. The last period before lunch is your first FREE SWIM.

Instructional swim is something everyone does but not every day. Each camper choice period has one or two swimming groups scheduled at the instructional pool and/or a fun swimming event over at the Rope Swing!

Lunch at 12:30pm and everyone eats together with music playing, games and announcements. After lunch, there is reading period where campers have the opportunity to write letters, read, and relax. This quiet time is followed by a second Camper Choice. Next comes a two more cabin activities, after which there is a second free swim or field activity. Campers have the option to swim or get involved in games on the field or courts. Dinner is served at 6:15pm.

In the evening, community activities include campfires, all-play field activities like CAPTURE THE FLAG, special activities and creative performances. Campers return to their bunks between 8:15pm and 8:30pm for cabin time, until lights out at 9:00pm.
